

Student Supply List for MINI Class Selections

Millinery Meet-up 2016

Billiana Borissova

LEATHER PUZZLE

- Leather remnants - colors, textures are up to each attendee but it is better to have a variety and that the leathers and suedes are thinner for easier cutting. Approximately ½ yard total of all scraps put together.
- scissors
- glue - Fabri-Tac or other glue which can be used on leather

Rose Hudson

MAKE A SMALL FEATHERED BIRD

- cotton wool balls (about 6-8)
- cotton wool make-up remover pads (4-6)
- 1 yard millinery wire #21 or #23
- craft glue: Magnetic or Fabritac or E6000, not white wood glue
- needles
- threads
- adhesive tape
- small fine feathers approx. 1" for bird's face and under body)
Huckle pads are ideal, about 12
- medium soft feathers 3", about 14
- Nagorie goose feathers, smooth, not curled. Approx. 7" long
(you will need at least 10 for the winged bird) allow extra for mishaps.
- Have a try or shallow shirt box for transporting/sorting/storing feathers for this project

Rose's Sewing Basket:

- Scissors
- Pliers
- Tapes measure
- Apron
- Thimble
- Needles (size 9, 10)
- Berry pins
- Chalk
- Threads for your projects in matching colours
- Pencil and paper for note taking
- Floral tape black and or white
- Awl – for piercing holes
- Craft glue (clear adhesive) 250ml not white wood glue
- Craft/beading/fuse wire 26 gauge (not sure what you call it)
- Scrap of fabric for glue spills/mess
- Cling wrap
- Chocolate (optional... not really...essential!)

Edwina Ibbotson

DYING/SHAPING AND CUTTING FEATHERS

- Ostrich quills (1-2)
- burnt Ostrich feathers (1-2)
- Turkey feathers (1-2)
- Coque feathers (8-12)
- 3-4" scissors, very sharp

Eugenie van Oirschot

CRAZY CRIN

- sewing machine (Arrowmont will provide approximately 3 per class room. Please bring your own if possible to avoid long waits for the sewing machine.)
- machine needles (if you bring your own sewing machine)
- 10-20 yards of crin braid **3/16"** wide
- thread in the color of the crin braid
- 1 yard water soluble fleece: Wash-N-Gone #541
- backing paper
- standard millinery tool kit (needle, thread, sewing pins, measuring ribbon, etc.)
- scissors

Lina Stein

FABULOUS SWIRLED FELT & WONDERFUL VINTAGE LININGS

- Pre-stiffened felt hood can be fur or wool felt
 - a length of millinery wire (max 28 in)
 - button block/fascinator
 - sewing kit
 - sewing pins
 - blocking/drawing pins
 - needles
 - scissors
 - threads to match felt and lining
 - ½ yard piece of fabric for lining
-
- steam kettle (some provided in classroom; but are encouraged to bring your own)
 - sewing machine (a few are provided by Arrowmont; but bring your own if driving to avoid waiting)
 - iron in the classroom

Jane Stoddart

BIRDCAGE VEIL WITH BOW OR TRIM

- ½ yard veiling
 - ¼ yard bridal or other fine tulle (color to match or complement veiling)
 - matching threads
 - narrow flat metal headband
 - 1 yard ribbon of your choice (preferably wider, millinery petersham or velvet)
 - selection of alternative trims if desired such as silk flowers, lace etc
 - selection of embellishments such as sequins, crystals etc if desired
-
- Polystyrene head or canvas millinery dolly/poupee to work on
 - millinery sewing kit including: tape measure, berry pins, straw needles
 - pencil/pen, notepad
 - box for finished piece

Laura Whitlock

“I COULD EAT OUT OF THAT HAT!”

- fabric shears
- Tailor’s points or small scissors for hand sewing, optional
- straight pins, ball head
- sturdy thimble
- tape measure
- wonderclips, optional but awesome
- #18 or 19 ga. millinery wire
- needle-nosed pliers
- wire cutters
- hand sewing thread
- milliners’ hand sewing needles
- Beeswax, Thread Heaven or similar thread conditioner
- sewing machine
- machine needles
- bobbins
- assortment of machine thread
- grosgrain or petersham ribbon
- ½-¾ yard fabric for lining- preferably natural light-t-medium-weight fabrics with a fairly stiff hand including China silk, Thai silk, duping, taffeta, shantung, satin, rayon twill or Bemberg
- pre-blocked hat, fascinator, pillbox etc. that you wish to line
- hat attaching supplies, as needed-combs, elastics, horsehair, headbands

Wayne Wichern

UNDERSTANDING YOUR BLOCKS

- note taking materials
- camera or tablet for photos
- Hat block if you have room in your packing or are driving to MMU
- Photos of blocks if you are not driving (please make arrangement to email the photos to Wayne a month prior to the MMU so they can be included in the lecture presentation and discussion)
